

Business Appreciation Week

May 14 ⚓ 20, 2006

Navigating Virginia's Future

*Virginia's businesses continue to
chart the course for our Commonwealth
– positively impacting local communities from the
shoreline to the coalfields.*

*Business Appreciation Week is a time to
acknowledge these businesses for navigating perilous seas
and for embracing the waves of change that result in job
growth and enhanced quality of life for our citizens. It is the
success of Virginia's business communities that provide a
beacon for education, infrastructure, business
development and prosperity.*

*Thank you Virginia businesses for
keeping the wind in our sails.*
